Re: ***Delphini Construction Company, Inc.***

To Whom It May Concern:

Florida Surety Bonds, Inc. has been handling the bond requirements for Delphini Construction Company, Inc. in excess of ten years. During this time our experience has been excellent. They have an impressive construction "track record", an impeccable reputation, and are generally regarded as being one of the finest roofing and construction firms in central Florida.

Bonds are currently written through Great American Insurance Company, one of the nation's leading surety companies with an A. M. Best Rating of A, XIV, and a 2006 U. S. Treasury Listing of \$135,984,000. We would not anticipate difficulties in providing performance and payment bonds for the referenced company in the \$3,000,000 single, \$8,000,000 aggregate range, subject to the contract provisions and the underwriting file at the time a request is made.

We recommend Delphini Construction Company, Inc. to you without hesitation as being a most reputable firm whom we feel can be relied upon to fulfill any commitment they make. We are proud to count them among our very top contractor clients.

Should you have any questions, please do not hesitate to contact us.

Sincerely,
FLORIDA SURETY BONDS, INC.
